SUMMARY

Undergraduate student pursuing a Bachelor of Computer Applications (BCA) with a specialization in Cloud Computing and Cyber Security at Sri Balaji University, Pune. Has academic and internship experience in software quality assurance, system validation, and technical documentation, with exposure to structured testing and analysis workflows. Has worked with structured data through coursework, academic projects, and industry internship experience, developing a methodical approach to problem analysis, result verification, and clear documentation. Has been exposed to AI-assisted tools and automated systems during academic and internship work, supporting an understanding of system behavior and automation workflows. Eager to learn new technical and domain-specific concepts, including languages and research methodologies, through structured academic environments and collaborative research settings.

EDUCATION

Bachelor of Computer Applications (BCA) Sri Balaji University, Pune Specialization: Cloud Computing & Cyber Security	2023 – Present
Bachelor of Business Administration (BBA) – Online Amity University Online	2023 – Present
Higher Secondary Certificate (HSC) Science (PCM)	Year of Completion: 2023
Secondary School Certificate (SSC) Dr. DY Patil English Medium School, Pune	Year of Completion: 2021

PROFESSIONAL EXPERIENCE

Quality Assurance / Software Engineering Intern C3A Labs Remote — New York, USA.	Jan 2025 – Jun 2025
- Performed manual functional, UI, and regression testing - Prepared and executed test cases; documented defects and verified fixes - Observed system behavior across repeated testing cycles - Assisted with validation of agent-based automation and AI-assisted workflows - Coordinated with development and product teams during testing phases	

ACADEMIC & INDEPENDENT WORK

Cyber Shell – Academic Initiative

2025 – Present

- Undergraduate-level exploration of phishing, quishing, and automated cyber threats
- Studied patterns in reported incidents and common attack mechanisms
- Presented ideas at university-level & technical platforms like IMC 2525

Undergraduate Research Paper

- Authored a research paper as part of academic learning
- Published on Zenodo (open-access research repository)
- Link: <https://zenodo.org/records/17073589>

PUBLICATION

The Love She Never Knew — Self-published Book

- Independently written and published
- Available on Poethi, Amazon Kindle (KDP), and Google Play Books
- Link: <https://store.poethi.com/book/satyam-singh-raiput-love-she-never-knew/>

LEADERSHIP & INVOLVEMENT

President

Student Development Cell, School of Computer Studies, **SBUP**

AY 2025–2026

- Coordinated academic workshops and student-led activities
- Managed student teams and worked with faculty for event execution

Core Member

SRUJAN EDIC (Innovation & Entrepreneurship Cell)

AY 2024 – 2026

TECHNICAL SKILLS

- **Programming & Data Handling:** Python, DBMS, NoSQL
- **Systems & Platforms:** Linux environments, VMware, VirtualBox, Hyper-V
- **Cybersecurity Tools (Academic Exposure):** Kali Linux, Burp Suite, Wireshark
- **Cloud Platforms (Basic Exposure):** AWS, Google Cloud
- **Web Technologies:** HTML, CSS, JavaScript

CERTIFICATIONS & RECOGNITION

- India Mobile Congress (IMC) 2025 — Trophy for technical presentation
- T-Hub Hyderabad — Graduation Certificate (Innovation / Blitz Program)
- Cyber Security Management — ANZ Australia
- Ethical Hacking (Introductory)

LANGUAGES

English (Professional) | Hindi (Native) | Marathi | Japanese (Beginner)
